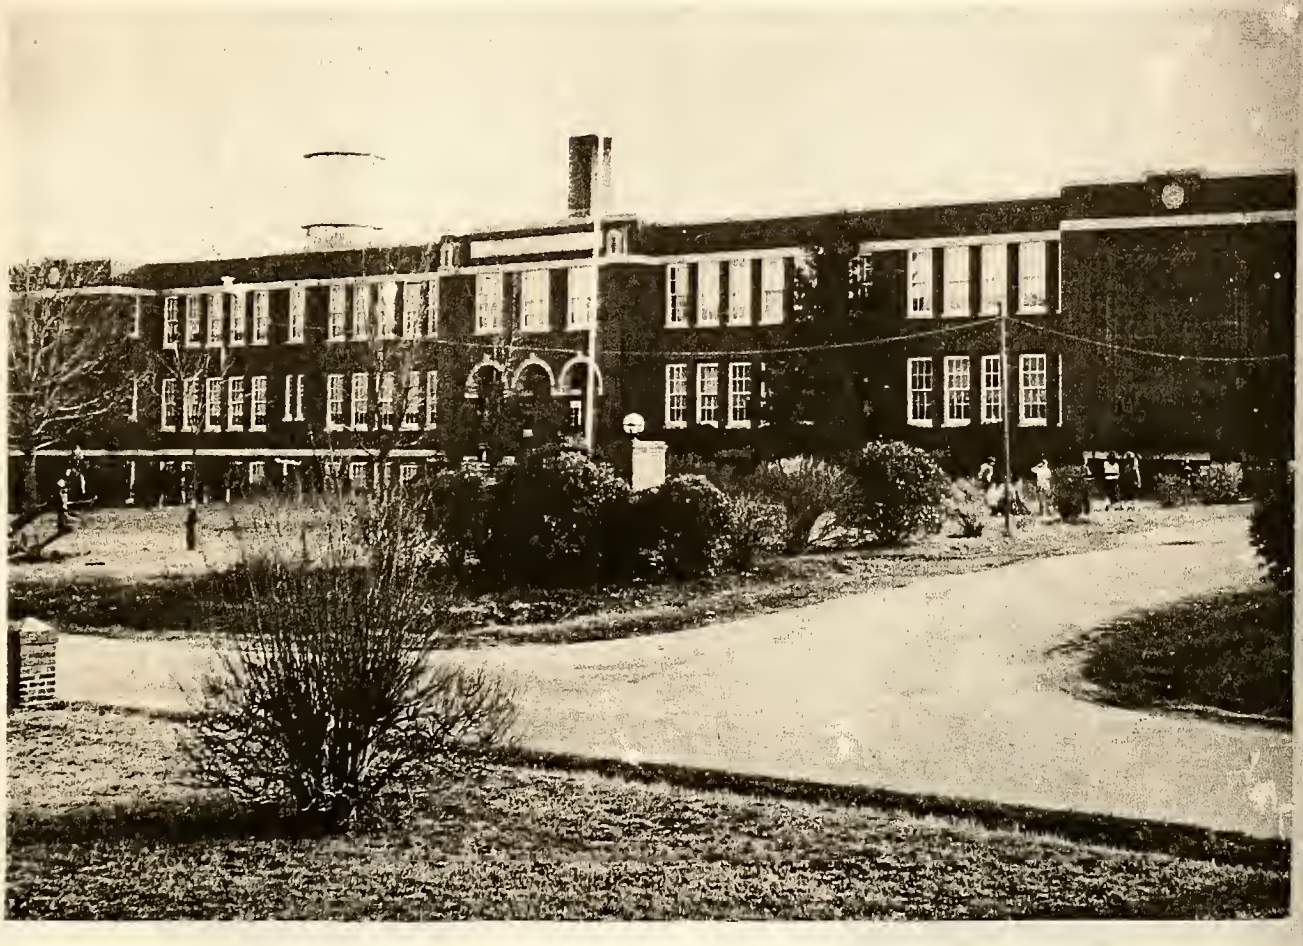
School



We're graduating from this dear school,
A little sad and a little forlorn,
We hate so much to leave thee.,
We'll miss you when we're gone.
We'll leave our hearts in West Edgecombe High
And there they will linger until we die.
So farewell teachers and classmates too,
We're starting on a life exciting and new
But we shall never forget you:
West Edgecombe - White and Blue.

Class Poem

Our class has gathered for many years,
But now we are parting each with our tears.
This is what we have longed to do,
And now at last we are through.
There have been many good times in the past,
And now we each must leave them at last.
We must look to a bright future ahead,
Now that the years of school have sped.
There will be many of us gone never to meet again,
But we will remember each other through sun and rain.
Thanks to our teachers of the many years,
Who have guided us and taught us through our fears,
Who have been so kind through our school years,
And someday we will hear thanks ringing in our ears.
When graduation day comes our hearts will be lead,
And when at last we hear our names read,
We will walk up to receive our diploma,
As though we were walking while in a coma.
May God with love guide us all,
So that in the future we will never fall.
May He guide us each with our heavy load,
And help us always to choose the right road.

Class Song

The day has come at last,
When we must graduate.
Though tears may fall like rain,
We'll hope to meet again.
Through the years we have gone together,
Sharing all tears and gladness
But now we must separate,
And go out on our way.

The teachers have been so kind,
Who have guided us through these years,
And we hope to meet again.
'Though these years are gone forever,
Parting will change us never.
And now we must say goodbye,
And leave West Edgecombe High.

Class History

1946-47:

At the beginning of our high school career, we began with forty-nine members in our class. Miss Alexander had the girls, and Mr. Cashwell had the boys.

Some of the girls joined the F. H. A. and the softball team, and the boys joined the baseball team and the F. F. A.

We were very sorry to lose four of our girls-Margie Bass, Eva Jones, Ada Adams, and Pattie Taylor.

1947-48:

We began our second year of high school with forty-five students, and Mr. Cashwell was our home room teacher.

This year our most outstanding event was the selection of our class rings.

We are glad to have had two new students with us this year, Geraldine Worrell and Emma Jane Brake.

Several of our classmates left us either to go to another school or for some other reason. Charles Daniels, Charles Cartee, L. R. Causway, Thomas Chewning, Helen Taylor, Daisy Adams, Evelyn Baxley, Billy Pridgen, Ed Stallings, Gilbert Grimsley, Audrey Causway, Emma Jane Brake, and Eunice Hux. Geraldine Worrell has gone to Rocky Mount, and Dorothy Varnell is getting married.

Mr. Feezor, who has been with us all through school, is leaving after this term. We hope that our new principal will co-operate with us as much as he has.

1948-49:

Our junior year was begun with thirty-one students. We had one new student, Betty Fairoloth, but she did not stay with us very long.

Two great events have taken place: We received our class rings the day before school was out , and we gave the seniors a banquet at Club Carlyle.

We have lost two students this year. John Kenny moved to Gardners, and Marie Cherry has gone to Benvenue.

We close this year looking forward to our senior year which will mark a great step in our lives.

1949-50:

Our senior class started out with thirty-four students. We are glad to have had two veterans David Horton and Jesse Calhoun with us. Also Charles Ellis from Rocky Mount High.

During second semester we welcomed Richard Newton from Jamestown High School in Greensboro, and Frank Barnes from Weldon.

Fitting our caps and gowns and selecting our calling cards and invitations was very exciting; it made us feel more like seniors.

Our trip to Washington was enjoyed by everyone. We really did have a nice time.

We do not have very much time left in this year, but we can say that we have thoroughly enjoyed our high school career, and we want to express our sincere appreciation to the teachers who have helped us through these years.

Class Prophecy

Ladies and gentlemen this is Mary Ella Pittman and Dixie Beddingfield bringing you "The Latest Town Gossip" broadcast directly to you from the auditorium of the West Edgecombe High School, where the alumni of the class of 1950 are celebrating their tenth class reunion. We are especially proud to be able to broadcast this meeting since we are members of this class. The class of 1950 considered themselves one of the most outstanding classes in the school history. The majority of its members have become famous in whatever field they ventured. We would like to have each member of the class tell what he or she is now doing, but since that is impossible we will tell you about them as we see them pass.

First I see Julian Goff who is now president of the University of North Carolina. With him is Christine Rose who has become athletic coach at W. C. They are helping the university to be one of the most popular in the United States.

Evelyn Logan, editor of our school annual, has kept up her good work in writing. She is now editor of the Washington Times.

A new Y. M. C. A. and Y. W. C. A. have just been opened in Rocky Mount where J. T. Moore and Hannah Brown are directors.

Solomon Flood, our famous baseball star, will be seen on the mound for the St. Louis Browns next season.

Betty Lou Goff, Alice Thomas, and Dorothy Dixon could not resist the sound of wedding bells, but they have become outstanding homemakers.

Burcha Pate Goff, one time jazz player for West Edgecombe, is now with Sammy Kay playing at Billy McArthur's night club which recently opened in New York City.

Edgecombe County has really prospered with its new county agent, Omerl Simmons, and home demonstration agent, Mary Elizabeth Proctor.

Edwin Joyner always liked to argue in school so he can keep it up since he is a lawyer in Washington, D. C.

There is a great need for highway patrolmen , and Curtis Proctor has become one of the most outstanding in the state of North Carolina.

Virginia Parker, a missionary to China, has just completed a book on Chinese conditions.

James Jones, a National Guard member during high school, has become a general in the United States Army.

Getting children to school safely is a very important job. Donald Williams and David Horton realized this and became the school bus mechanics for Edgecombe County.

Thea Ann Burgos is head chemist in the Eastern Kodak Company.

Billie Rose Pitt is doing a wonderful job for her Alma Mater as band director. Claudia Proctor is doing her best also; she is the effecient first grade teacher.

Jesse Calhoun is a very prosperous farmer in Edgecombe County and is teaching his neighbors modern farming.

Nell Price is now modeling hats in Hollywood for Jack Moroy's program, "Breakfast In Hollywood."

Do you want to be glamorous? If so come to Betty Gay's "You-Name-It-And-I-Fix-It Shop" where Charles Ellis, the new hair designer, is now working.

A cover girl! Jean Lanier now poses for Love and Romance Magazine.

Janice Grimsley is head nurse at the Park View Hospital in Rocky Mount.

Frank Barnes, a former student at Whitakers, is now principal there.

Helen Pridgen and Bonnie Johnson are librarians in the Library of Congress.

Lois Sholar and Richard Newton have won nation-wide fame with their paintings of nature.

Rudolph Bone has become an engineer with the Atlantic Coast Line Railroad.

Tune in again next week when we will again bring you "The Latest Town Gossip." So until then this is Mary Ella Pittman and Dixie Beddingfield bidding you good-bye.

BOY'S BASKETBALL SUMMARY

This year West Edgecombe had a fine boy's basketball team. In playing this year, the boys looked fine. They won ten games and lost six.

They were also in the county tournament. They played South Edgecombe and won. Every game they played this year was very good. They were awarded the county championship trophy. After the tournament game, they also gave away gold basketballs for the outstanding ball players of the night. Two of our boys received them; they were Jasper Proctor and Solomon Flood.

The players on our basketball team are as follows: Edwin Joyner, Charles Ellis, J. T. Moore, Solomon Flood, Jasper Proctor, Ambler Bone, Kent Johnson, Collis Gardner, David Whitley, Robert Burgess, Joe Bridgers.

We are looking forward to having an excellent ball team next year.

GIRL'S BASKETBALL SUMMARY

The 1949-50 basketball season began with our school's participation in a county tournament sponsored by the Junior Chamber of Commerce in Rocky Mount. We won the first game from Whitakers with a score of 25-18. We entered the semi-finals two nights later only to be defeated by Red Oak with a score of 21-18.

We were very happy and glad to play part of our season in a newly constructed gym. We have waited several years for this building and we feel that it was worth waiting for. Our team which is coached by our principal, N. R. Vincent, is composed of the following girls: Margaret Whitley, Eleanor Brown, Billie Pitt, Christine Rose, Claudia Proctor, Jean Lanier, Joyce Moore, Burcha Goff, Betty Davis, Roberta Brown, Dene Lanier, Betty Proctor, Jean Simmons, Emma Brake, Hannah Brown, Nell Price.

We ended the basketball season by entering in a county wide tournament which was sponsored by the board members. West Edgecombe lost the first game to South Edgecombe which put them out of the tournament. Leggett and South Edgecombe played the finals and Leggett won, which made them the county champions.
